This event is run over the last 4 legs of the senior Marton to Wanganui relay course. The start line is by the large wool shed, halfway along leg 6 of the senior course. This course was developed in 2013, and the juniors who have taken part have found it a lot of fun.

This year we are supporting The Palmerston North Rescue Helicopter

A portion of each team entry will be donated to support the great work the helicopter crews do in and for the Wanganui and wider Community.

***Proudly supported by the
Wanganui East Club***
